

**REMARKS**

In the Office Action dated June 30, 2010 the Examiner has identified several formal matters which must be completed in order to proceed with the prosecution of the application. In response to the Office Action, the Applicant herewith submits a new Reissue Application: Consent of Assignee and Statement Under 37 C.F.R. 3.73(b) which reflects the 2008 assignment. In addition, a Reissue Application Declaration by the Inventor is also herewith submitted which correctly states that the application was filed on July 8, 2003 and correctly identifies amendments made to the application which were referenced in the supplemental declaration.

In view of the concurrently filed Reissue Application: Consent of Assignee, Statement Under 37 C.F.R. 3.73(b) and Reissue Application Declaration by the Inventor, the Applicant believes that the pending reissue application is now in condition for allowance and respectfully requests such action. Any questions, comments, or suggestions the Examiner may have which would place the application in still better condition for allowance should be directed to the undersigned attorney.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 07-1180.
